OFFICE OF THE SUPERINTENDENT, GOVERNMENT GARDENS IN MYSORE, LAL-BAGH, BANGALORE.

Notification dated 3rd May 1953.

It is hereby notified for the information of the public that the Guava crop 268 (plants) produced on the Fruit Research Station, Hessarghatta, will be leased out to the person who offers the highest value for the entire crop of the station commencing from the date of lease to 1st January 1954. The intending persons may present their offer to the Superintendent, Government Botanic Gardens, Lal-bagh, Bangalore, so as to reach him on or before the 30th June 1953.

2. The persons whose offer is accepted should pay 25 per cent of the total value of the crop immediately after the acceptance of his offer and the balance within thirty days after acceptance. In default thereof the lease will be given away for the next best offer. The lessee will be permitted to harvest the crop only as and when ready after the total amount is paid.

3. The lessee should be responsible for proper guarding of the fruit crop immediately his offer is accepted and no complaint in case of theft, etc., will be entertained and no compensation or whatsoever will be paid. The lessee is required to give intimation in advance to the Superintendent, Fruit Research Station, Hassarghatta, before harvesting the fruits daily. The fruits harvested from each tree should be kept nearby and should only be removed after the number, weight and sizes of the fruits and other particulars of the individual trees are recorded.

Under no circumstances the fruits should be removed until all the details required are noted. The crop after harvest must be brought to the office where the permit for removing the fruits from the station premises will be issued by the Superintendent, Fruit Research Station. Hessarghatta.

4. Under no circumstances the crop should be removed to the residential quarters of the staff in the colony. The lessee should give definite instructions to his watchmen in this regard.

5. Any crop found being removed without permission will be confiscated and disposed off, the realisation thereof being credited to the treasury.

6. Fruits which are only fully ripe should be harvested. Diseased fruits must be allowed to be harvested and destroyed.

7. Whatever fruits are required for experimental purpose must be made available at Government rate.

8. The lessee should not claim any compensation for the crops if any of the diseased branches or trees which may have to be cut down.

9. The lessee has to make his own arrangements to have the plants irrigated by his watchmen whenever ordered by the station staff.

10. The lessee should compensate for any damage done to the trees or any Government property in the orchard during his lease either by himself or any of his agents.

11. None except the watchmen of the lessee will be allowed to remain in the orchard. The lessee should employ reliable and honest persons as watchmen.

12. The lessee should further abide by the orders of the Superintendent, Government Botanic Gardens, Lal-bagh, Bangalore, whose decision is final in all matters relating to this tender. Inspection of the crop is permitted on any working day between 8 A.M. to 11-30 A.M. in the mornings and 2-30 P.M. to 5-30 P.M. in the afternoons.

The Superintendent, Government Gardens in Mysore, Lal-bagh, Bangalore, is competent to reject the offer, if the amount offered is less than the expected value in the interest of revenues of the Station.
